

The APT-S Study Skills Framework

1. Add other aspects that have an impact on your learning and are not shown in the diagram.
2. Highlight those aspects of the environment that you find most challenging.
3. List the sort of skills you need to develop in order to manage better the aspects that you highlighted:

-
-
-
-
-

4. Which self-management skills will be most important for you in developing those skills?

-
-
-
-
-
